***Funeral Home and Crematory are not responsible for any loss or damage of cremated remains shipped via Registered Mail with the United States Postal Service or any other Carrier.**

The cremation, processing and disposition of the remains of the Deceased authorized herein shall be performed in accordance with all governing laws, the rules, regulations and policies of the Crematory and Funeral Home with the following terms and conditions:

- The remains of the Deceased will not be accepted for cremation unless received by the Crematory in a combustible, leak-resistant, rigid cremation container. The Crematory is authorized to remove and dispose of handles, ornaments, and any other non-combustible items attached to the cremation container prior to cremation. In the event the remains of the Deceased are received by the Crematory in a casket or other container constructed of metal, fiberglass, or other non-combustible materials, I/we authorize the remains of the Deceased to be removed prior to cremation and placed in a combustible cremation container. I/We further authorized the Funeral Home or Crematory to make disposition of any such non-combustible casket in any lawful manner it deems appropriate.
- Mechanical or radioactive devices implanted in the remains of the Deceased (such as pacemakers, etc.) may create a hazard when placed in the cremation chamber. The Crematory will not cremate any human remains which contain any type of implanted mechanical or radioactive device. In the event the remains of the Deceased contain such a device, I/we hereby authorize the Funeral Home, its agents and employees, to remove any such mechanical devices from the remains of the Deceased prior to cremation and dispose of such items at its discretion. **I/WE HEREBY CERTIFY THAT THE REMAINS OF THE DECEASED DO DO NOT CONTAIN ANY TYPE OF IMPLANTED MECHANICAL OR RADIOACTIVE DEVICE** (please initial one). Listed below are all implanted mechanical and radioactive devices which the Funeral Home is authorized to remove from the remains of the Deceased prior to cremation and dispose of as indicated:

Description of Implanted Device	Disposition
---------------------------------	-------------

If no instruction for disposition is given, such items may be disposed of at the discretion of the Funeral Home.

- The cremation container containing the remains of the Deceased will be placed in the cremation chamber and will be totally and irreversibly destroyed by prolonged exposure to intense heat and direct flame.
- Certain items, including, but not limited to, body prostheses, dentures, dental bridgework, dental fillings, jewelry, and other personal articles accompanying the remains of the Deceased, may be destroyed during the cremation process. I/We further authorized that if any items, other than the cremated remains of the Deceased, are recovered from the cremation chamber, they may be separated from the cremated remains of the Deceased and disposed of by the Crematory. _____ initials
- I/We authorize the Crematory to separate and remove from the cremation chamber all non-combustible materials, including, but not limited to, hinges, latches, screws, jewelry and precious metals, and to dispose of such materials.
- Following cremation, the cremated remains of the Deceased, consisting primarily of bone fragments, will be mechanically pulverized to an unidentifiable consistency prior to placement in an urn or other container.
- Unless an urn or container suitable for shipment is purchased, the Crematory will place the cremated remains of the Deceased in a container which is not designed for any type of shipment.
- In the event the urn or container is insufficient to accommodate all of the cremated remains of the Deceased, any excess cremated remains will be placed in a secondary container and returned to the Funeral Home, together with the primary urn or container.
- I/We understand and acknowledge, that even with the exercise of reasonable care and the use of the Crematory's best efforts, it is not possible to recover all particles of the cremated remains of the Deceased, and that some particles may inadvertently become commingled with particles of other cremated remains remaining in the cremation chamber and/or other devices utilized to process the cremated remains. I/We; hereby authorize the Crematory to dispose of any such residual particles in any lawful manner it deems appropriate.
- Unless I/we give specific written instructions in this Authorization, the cremation, processing and disposition of the remains of the Deceased will not be performed in accordance with any particular religious or ethnic customs.
- In the event the cremated remains of the Deceased remain unclaimed for a period of 30 (thirty) days, the Funeral Home shall give written notice to me/us by certified mail at the address(es) indicated below. I/We agree that in the event the cremated remains of the Deceased remain unclaimed, for a period of 120 (one hundred, twenty) days after the date of such written notification is mailed, the Funeral Home is authorized and directed to dispose of the unclaimed cremated remains of the Deceased in any lawful manner it deems appropriate.
- I/We agree to indemnify, release and hold the Crematory, Funeral Home, their affiliates, agents, employees, and assigns, harmless from any and all loss, damages, liability or causes of action (including attorneys' fees and expenses of litigation) in connection with the cremation and disposition of the cremated remains of the Deceased, as authorized herein, or my/our failure to correctly identify the remains of the Deceased, disclose the presence of any implanted mechanical or radioactive devices, the destruction of personal items, including but not limited to jewelry or other items of personal effects, or take possession of, or make permanent arrangement for, the disposition of such remains.
- Except as set forth in this Authorization, no warranties, expressed or implied, are made by the Funeral Home, Crematory, or any of their respective affiliates, agents or employees.
